Think **SCOTT'S PRESSURE WASH** is just about trucks? Think again!
Here is a random selection of photographs featuring a variety of pressure washing jobs Scotts has completed:

Fleet cleaning trucks - at your location or at the truck bays

Fleet cleaning buses... and rail cars, heavy equipment and other vehicles

Industrial equipment and facilities

Building exteriors - To remove peeling paint in preparation for painting

Retail establishments- Includes building facades, sidewalks and parking lots

Odd and unusual jobs... Such as this western movie set outside of Calgary

Before and After... →

Who could imagine a little water could do this!
